Subject: Microsoft Settlement, comments from a US Citizen

Dear Sirs,

The current Proposed Final Judgment is insufficient in thwarting or preventing the unfettered monopoly practices of Microsoft. In its current state it still allows for many exclusionary practices to continue.

- The PFJ doesn't take into account Windows-compatible competing operating systems
- The PFJ Contains Misleading and Overly Narrow Definitions and Provisions
- The PFJ Fails to Prohibit Anticompetitive License Terms currently used by Microsoft
- The PFJ Fails to Prohibit Intentional Incompatibilities Historically Used by Microsoft
- The PFJ Fails to Prohibit Anticompetitive Practices Towards OEMs
- The PFJ as currently written appears to lack an effective enforcement mechanism.

Please reconsider the PFJ in its current state.

- Seon Lee
